CHILDREN'S ACTIVITY BOOK

Welcome to Wisconsin Lutheran Seminary!

This is where your pastor went to school. Here they learn more about God's Word and how to share that good news with others. The seminary is your school, too, because your mission offerings help us train pastors.

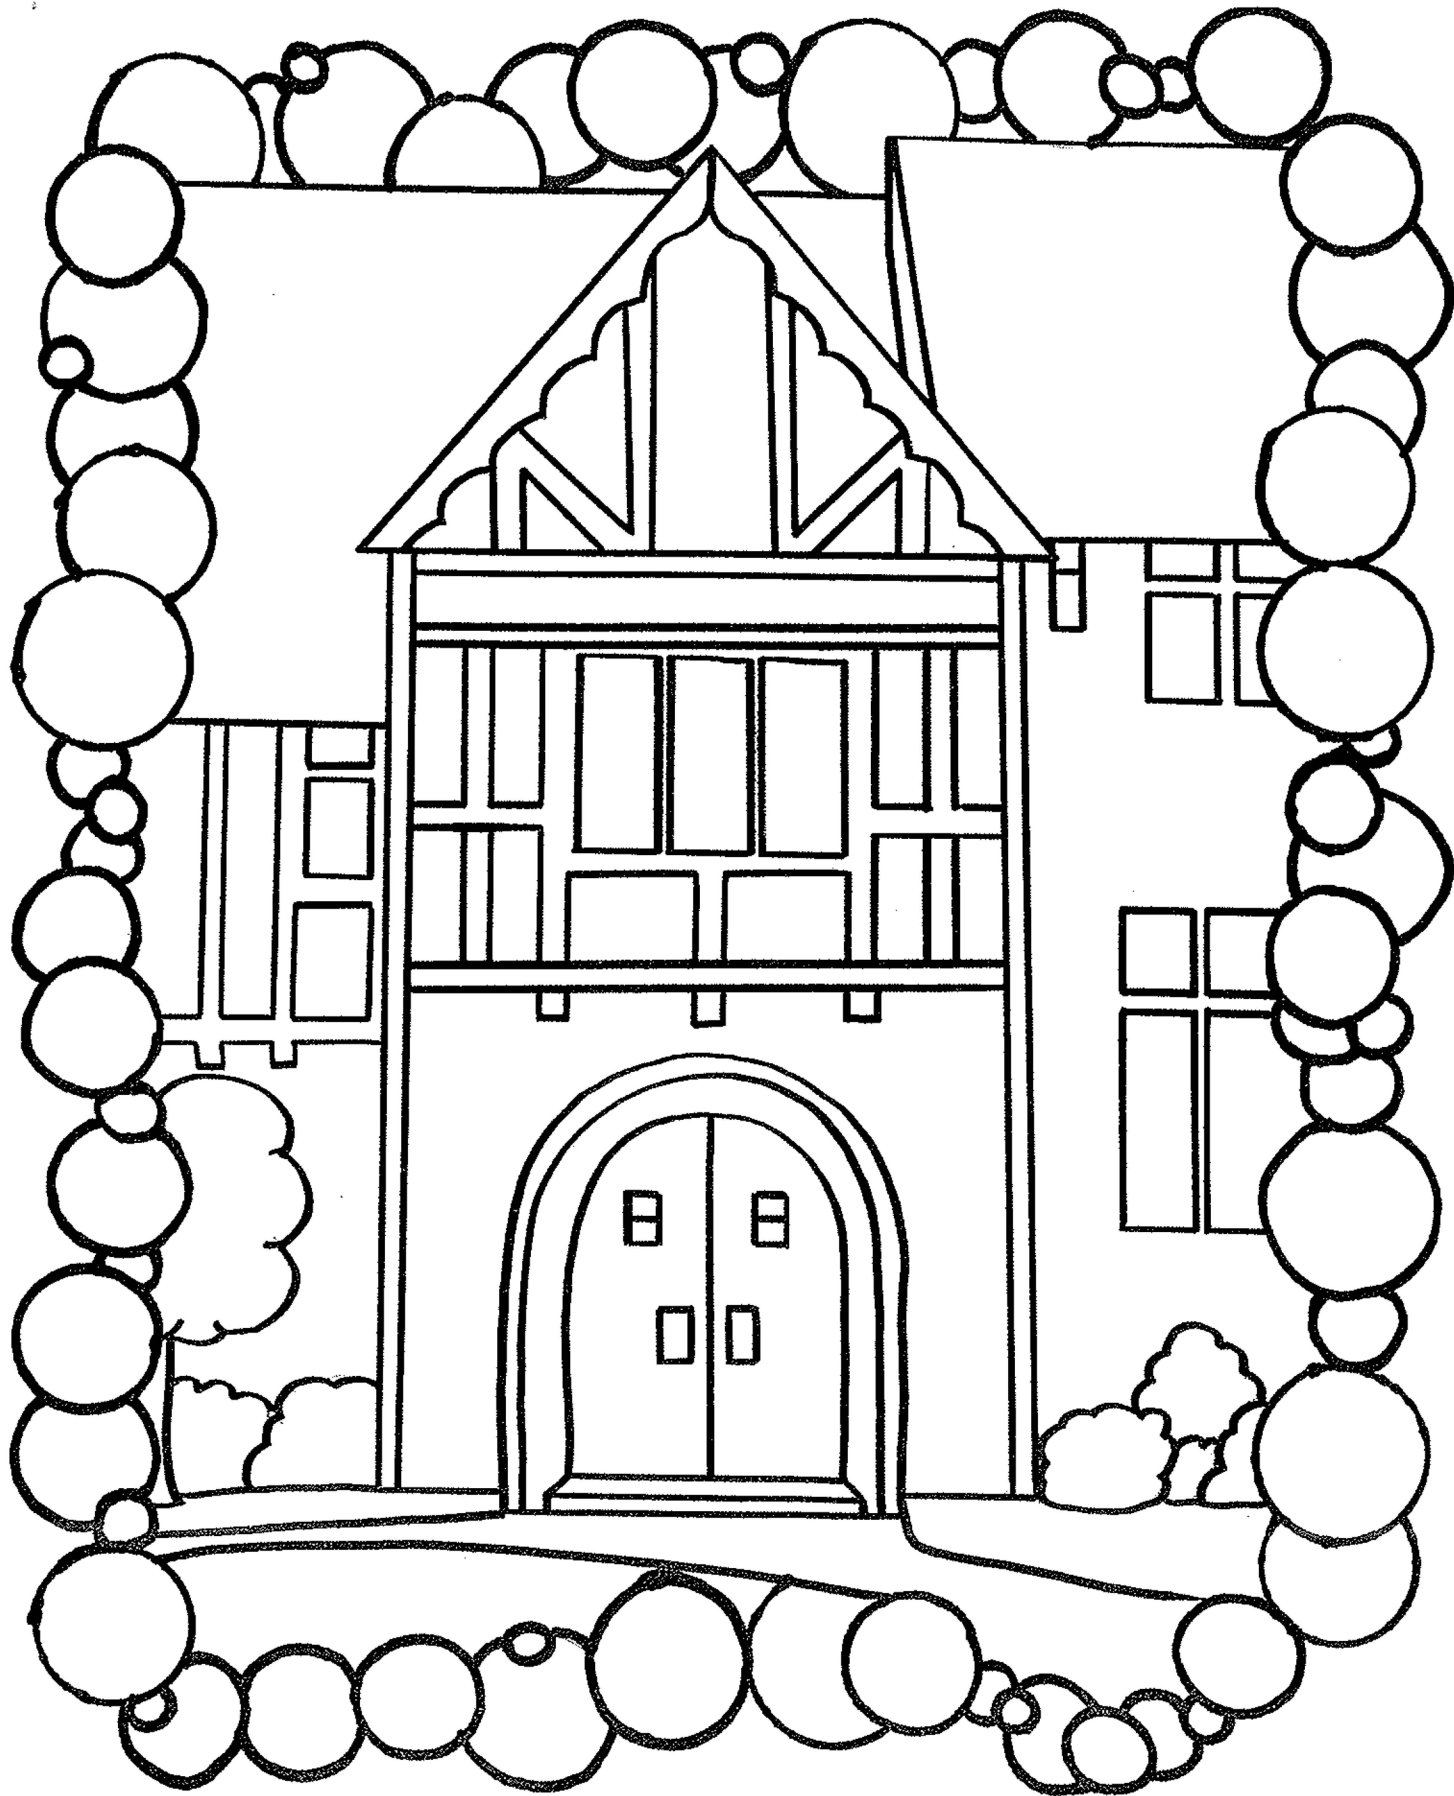

Fun facts about Wisconsin Lutheran Seminary:

- The seminary used to be an 80-acre family farm. That's about 60 football fields.
- The seminary was built in 1929 and was designed to look the Wartburg Castle in Germany, where Martin Luther translated the New Testament into German.
- We have two cornerstones. One is from when the seminary was built in 1929, the other is from when the seminary was located in Wauwatosa, Wis. This one is from 1892.
- Since the school began in 1863, over 3,500 men have graduated from Wisconsin Lutheran Seminary. The faces of those men line our hallways and classrooms. Every class since 1896 has a picture.
- Our statue of Martin Luther was cast in bronze at a foundry in Vicenza, Italy, and dedicated in 1992. The base of the statue is Absolute Black Granite from Zimbabwe, Africa.
- The seminary's library has over 58,000 books, and almost all of them have something to do with God. We have over 2000 rare books, some of them from as early as 1500. We have mission materials available in over 90 languages.
- The WELS archives are also at the seminary and include notes and journals from pastors, contents from a 100-year-old church cornerstone, and artifacts from our first missionaries to Africa!

Thanks for supporting Wisconsin Lutheran Seminary! We thank God for you!
