

Partnering with Pastors

GROW_{IN}
GRACE

Celebration of Ministry 2023|San Antonio, TX

This is the breakdown of possible and **approximate** costs for the retreat:

Hotel (2 nights at the Drury Plaza)	\$	399.54* (including taxes)
Retreat registration (per couple)		399.00** (Early bird registration ends in February)
Airfare (for 2)		700.00
TOTAL	\$	1,498.54

*Hotel cost is for two nights stay (April 12th & 13th) including taxes at the Drury Plaza San Antonio Riverwalk. Many attendees wisely choose to arrive early or stay late. Our conference room rate **does** apply before and after the retreat, however such extra nights are **not** figured into the cost breakdown above.

**Registration fee covers presenter costs (including their travel/hotel), celebration fellowship, conference space rental, audio-visual, printing of conference materials, and other administrative costs. The cost for single pastors who attend is one half of the registration (\$199.00). The early bird registration discount ends in early February; after that, registration will be \$249 for a single pastor or \$449 for a couple.

+++++Transportation Assistance Available+++++

Transportation costs above \$700 per couple (\$350 per individual) **may** be eligible for additional assistance. The seminary may cover up to 50% of your eligible transportation expense above \$700. Assistance will be based on either roundtrip airfare **or** mileage (least expensive) from your residence to hotel.

Reimbursements will be mailed after the retreat for **documented** (receipts please) expenses that may include airfare and taxi to/from San Antonio airport **or** parking and mileage paid at the current WLS rate. Transportation reimbursement application forms are available on our website and will be available at the retreat.

Reimbursement requests are due to the Grow in Grace office by email or mail no later than May 15, 2023.
